What can a conductor teach you about leadership?

Hugh Ballou teaches leaders around the globe how to build synergy with teams and how to build effective processes that bring success to any organization – no matter how big or how small. He brings a wealth of experience as a prominent conductor of musical ensembles to his innovative leadership approach.

He is author of 5 books on Transformational Leadership and works as executive coach, process facilitator, and strategist. As a powerful motivational speaker, he teaches the fine art of leadership employed every day by musical conductors.

SKILLS USED BY EACH LEADER:

The Conductor

- Sets the Tempo
- Enables Musical Excellence
- Shapes the Music
- Guides the Ensemble
- Is Always in Charge

The Corporate Leader

- Sets the Pace for the Team
- Builds High Performance Teams
- Defines the Ultimate Goal
- Guides the Process
- Is Always in Charge

"Hugh's skill in guiding our discussions and involving each person at just the right time was truly astonishing. I was amazed at the many steps we traversed in a time efficient way, leading to the final action plan with actual tasks, individual assignments and deadlines for implementation."

Dr. Kay Shirley, CFP

"In a short period of time, Hugh managed to capture the best thinking of the NewVa Corridor Technology Council's Board of Directors, and helped us structure key strategies for our future. During our strategic planning sessions, Hugh demonstrated his talent for taking different perspectives and providing structure for the group—bringing unity and synergy to our planning process."

Neil Wilkin, President & CEO of Optical Cable Corporation,
and President of the NewVa Corridor Technology Council

"Hugh Ballou makes work fun. He knows how to keep you focused on the objective while enjoying the process."

Ed Buckbee, Director Emeritus, U. S. Space and Rocket Center
